Carlyn,

WPD has an active consent decree with the DuPont Edge Moor facility. As far as I can tell they are current with all deliverable and generally in compliance with the terms of the decree. They did pay \$3,000 in stips last year. Pete Gold is assigned to the case; **Ex. 6 Personal Privacy (PP)** so Judy might be able to provide more details if necessary. Matt Colip also worked on the case and might be able to answer case specific questions. Let me know if you need anything else.

Do we have any direct engagement with this arm of Dupont?
